Congratulations!

Your wallet is protected and ready to use. You can find your Secret Recovery Phrase in **Settings > Security & Privacy.**

Keep a reminder of your Secret Recovery Phrase somewhere safe. If you lose it, no one can help you get it back. Even worse, you won't be able access to your wallet ever again. Learn more.

⚙ **Manage default privacy settings**

Settings are optimised for ease of use and security. Change these any time.

**Done**

Your MetaMask install is complete!

Pin MetaMask on your browser so it's accessible and easy to view transaction confirmations.

1 Click the browser extension icon

2 Pin MetaMask
